Sacramento, CA 95814

**Re: Applicant's Comments to the Errata to the Presiding Member's Proposed Decision for the Carlsbad Energy Center Project (07-AFC-6)**

Dear Commissioner Boyd and Hearing Officer Kramer:

At the June 15, 2011 Business Meeting, the Presiding Member's Proposed Decision ("PMPD") and its Errata for Carlsbad Energy Center LLC's ("Applicant") Application for Certification ("AFC") for the Carlsbad Energy Center Project ("CECP") was presented to the California Energy Commission for consideration. During the Meeting, the Commission continued the final decision on CECP to June 30, 2011, allowing the parties additional time to prepare comments on the PMPD Errata.

Applicant is satisfied that the PMPD, together with the Errata, provides the Commission with a solid environmental analysis and all conditions of certification necessary to ensure CECP is built and operated in compliance with all laws, ordinances, regulations, and standards. Applicant looks forward to the June 30, 2011 Special Meeting at which the Commission is well-equipped to provide a final approval for the CECP AFC.

Respectfully submitted,

John A. McKinsey
